Re: Freedom of Information Act Request No. # 844598

Dear Mr. Evers,

This letter responds to your Freedom of Information Act (FOIA) request of November 1, 2017, in which you requested a copy of all calendar items for the Secretary from January 20, 2017, until the time this request is started. Your request was received in our office on November 6, 2017, and assigned FOIA tracking number 844598.

A search for responsive records of the Office of the Secretary (OSEC) was conducted based on your request. Results from the search presented 5,301 documents with 5,622 pages which needed to be reviewed and redacted for disclosure purposes. Due to the size of the results, our intention is to provide a batch of documents to you each month based on the documents reviewed in the previous month until all responsive and non-exempt documents have been released. OSEC reviewed 374 documents in the previous month of October. Based on that review, please see attached pdf documents which contains:

- 352 pages are being released without redactions, and
- 22 pages which have been redacted in part under 5 U.S.C. § 552(b)(6) which permits the withholding of personnel, medical and similar files when disclosure of such information would constitute a clearly unwarranted invasion of personal privacy.

If you have questions about this response, you may contact the Office of the Secretary (OSEC) FOIA point of contact at [OSEC-FOIA@dol.gov](mailto:OSEC-FOIA@dol.gov) or the DOL FOIA Public Liaison, Thomas Hicks, at 202-693-5427 or by email at [hicks.thomas@dol.gov](mailto:hicks.thomas@dol.gov).

Sincerely,

Thomas DeBusk  
Administrative Officer

**Subject:** Re: Following-up

Doug - Many thanks for taking the time to talk today and for your help. Please keep me posted if you need anything prior to the NGA or need any help. James Mason from HHS reached out regarding Secretary Price coming to RI. I wanted to follow-up with you to see if you had a good contact for the Governor to reach out to Secretary Acosta regarding our apprenticeship programs in Rhode Island. This conversation would be a continue of the conversation they had during the NGA around the success of some of our programs. If you can loop in our counterpart to set this call up that would be great. Thanks again.

**Subject:** RE: Call with Secretary Acosta

Hi Molly – I just wanted to follow up on yesterday's call with the Secretary and the senator. Senator Brown thought it was a really good call and appreciated the Secretary taking the time to discuss all the issues that he raised. As a note for you, in addition to the overtime and fiduciary rules, the senator did raise the ILAB and Restaurant Associates issues I flagged for you in advance. They also both expressed interest in trying to find time for a face-to-face meeting in the future. Since the senator had the opportunity to raise several issues on yesterday's call, I don't know that it is urgent, but the senator is interested in

meeting with him whenever he has time.

Sincerely,

Nora

Dear Janelle,

I write to request a meeting with Secretary Acosta. I know him well from when he was at the US Department of Justice and I was the president and CEO of the American Association of People with Disabilities. I am now the executive director of the Association of University Centers on Disabilities, a \$650 million network of university centers of excellence, at least one in every State and territory, that works to expand knowledge and grow leaders to improve the quality of life of children and adults with disabilities. I have been talking to Katy Talento at the White House about President Trump possibly hosting an ADA anniversary event with Secretary Acosta and others, and I am hoping to find a time to chat with him about that and generally touch base. I am happy to do it in person or by phone. Thanks for any help you can provide in making sure that this request gets to the right people.

With warm regards,

DOL-17-0496-O-000111

**Topic/Issue:** The meeting will be comprised of mayors who are members of the U.S. Conference of Mayors Jobs, Education and the Workforce Standing Committee and are the lead mayors in developing policy priorities in the areas of education and workforce for the organization. The mayors are hoping to introduce themselves and the organization, start a working relationship with the Secretary, discuss areas where they may have a common agenda, and offer support for any DOL initiatives that support cities. Topic areas may include: The Workforce Innovation and Opportunity Act (WIOA) implementation, the role of the local workforce system in changes to the SNAP program and TANF reauthorization, ways to address the skills gap, the President's apprenticeship initiative and other DOL priorities. Also in attendance will be members of The U.S. Conference of Mayors Workforce Development Council (WDC) Leadership Circle. These are the workforce development officials for the largest cities in the country who administer all WIOA and other workforce development programs in cities.

**Subject:** Join us for the 2017 Future Latino Leaders Law Camp & Awards Dinner

Dear Mr. Secretary,

Hi. I hope you are well.

The Hispanic National Bar Foundation's annual Future Latino Leaders Law Camp is scheduled for its 13th consecutive year from July 15 - 23 in Washington, DC. The law camp selection committee has accepted thirty - two (32) high school students from more than 10 states to participate. On behalf of the Hispanic National Bar Foundation's law camp committee, we would like to invite you to speak to our students at the office of Hogan Lovells in Washington, DC.

I would also like to schedule the students to visit the United States Department of Labor. As is customary in our leadership program, the students visit different offices to learn the various uses of a law degree. This was your very successful lecture topic for the students' last year! We are already scheduled to visit The Department of State and we are currently scheduling a visit to the Department of Justice. Adding the Department of Labor to our schedule at a time where a Hispanic is at the helm of the Department would be an incredible experience for our students.

Lastly, on behalf of the Hispanic National Bar Foundation, Richard C. Lorenzo, and our entire board of directors, we cordially invite you to our 2017 annual awards dinner on July 20, 2017 at the Ritz Carlton, Washington, DC. Please see our invitation, attached.

Thank you in advance for your continued time and service to the HNBF.

Sincerely,

Denise

Denise Moreno  
Executive Director  
Hispanic National Bar Foundation
